YOUNG PEOPLE'S MISSIONARY SOCIETY

In 1919 the first Y. P. M. S. in the Washington Conference was organized at Seattle, First Church, under the leadership of Mrs. Henrietta Hill. Since that time the young people have been working together as a unit and as an integral part of the church to promote the work of the Kingdom at home and abroad. This year the silver anniversary of the Y. P. M. S., coinciding with the golden jubilee of the conference, has been celebrated by heightened interest, increased giving, strengthened spirituality, and enlarged vision for the coming year.

The Officers' Institute in August, Dr. Frank Kline's flying trip in November, Regional Director Stanley Watkins' tour in January, district rallies during the spring, and the great conference camp meeting all proved to be of spiritual benefit to the Y. P. M. S. The burden of the conference leaders during the past year has been to see those who have been so gloriously saved become established and growing in the things of God. What a thrill, then, to see just that accomplished in the lives of many at the camp meeting this year!

In appreciation of the camp evangelist, Dr. Nathan Cohen Beskin, the young people raised the money and made him a life member of the Y. P. M. S. After hearing of the trials and victories of this great Christian Jew, in response to his challenge, and heeding the call of God, many of these Y. P. M. S.'ers consecrated their lives to full-time Christian service. Then a few nights later a large portion of these stood with the hero of modern missions, Rev. E. P. Ashcraft, pledging themselves to help him carry the glad tidings of peace to distant lands.

Action taken by the young people and approved by the conference sends the Director of Evangelism, Norman Overland, into the field full time for the coming year. May the Lord multiply his efforts and bless all those who work in this important department of the church, that the young people may not only be leaders in their own organization today, but may thus be trained well for the larger tasks of the entire church tomorrow.

GOLDEN JUBILEE CELEBRATION

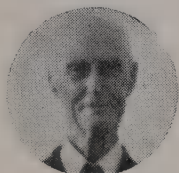

WASHINGTON CONFERENCE

A Six-Day Program. In this the Fiftieth Session of the Washington Conference, special attention was given to featuring it as the Jubilee Conference Session. One-half hour each day was devoted to a report of some phase of conference history. A "Jubilee Love Feast" was held on Sunday morning, and the "Semi-Centennial Sermon," in the absence of Bishop William Pearce, was given by Rev. E. P. Ashcraft.

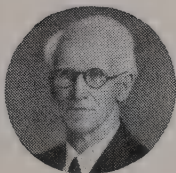

HISTORICAL HIGHLIGHTS

Free Methodism was begun in the territory of Washington by Mr. and Mrs. H. H. Pease, who came to Seattle in June, 1873. Through their influence, the New York Conference began showing an interest in the Pacific Northwest, and in 1876 named Rev. George Edwards as "missionary to the Washington Territory." In 1880 Rev. John Glen, also of the New York Conference, was assigned to this area as district chairman and as pastor in Seattle. Rev. John Glen's first report in 1881 to the New York Conference shows that Seattle had twelve full members.

The Oregon and Washington Territory Conference was organized at Beaverton, in Oregon, June, 1885, with Superintendent E. P. Hart as president. Within a decade this conference had grown until it had a roll of 32 ministers, 692 full church members, and 38 Sunday schools. In 1895 a movement got under way to divide this territory into three conferences.

FOUR LIVING MEMBERS OF FIRST SESSION—APRIL 9-12, 1896

The Washington Conference met in its first session in the chapel at Seattle Seminary, April 9-12, 1896, with Superintendent G. W. Coleman presiding. Eight members of the original conference came in as charter members of the Washington Conference. Of this group, there is but one living member, *Rev. C. E. McReynolds*. When the first session of the Washington Conference was held, these eight men, together with two others who transferred from other conferences, and three men, C. S. McKinley, E. W. Stayt, and C. W. Shay, who were admitted on probation, constituted the ministerial charter members of the new conference. W. W. Dexter, who joined the conference on probation two years later, was a *lay delegate* at the first session. There are four living members of the first session of the conference: *C. E. McReynolds, C. S. McKinley, C. W. Shay* and *W. W. Dexter*. Three of these are still members of the conference. Professor C. W. Shay has for many years been identified with Wessington Springs College.

Membership Growth. Of the original conference, only 183 church members became a part of the Washington Conference. With varying rates of growth throughout the decades the full members reported have increased so that at the fiftieth session there were 2,231. This means the conference has increased more than twelvefold in fifty years.

STATISTICAL ITEMS OF INTEREST

Conference Leadership. Eighteen different men have presided over the Washington Conference. Had Bishop William Pearce been able to be present this year, it would have been his ninth time. Twenty-three different men have served as district elders or superintendents or conference superintendents. These include C. E. McReynolds, A. H. Norrington, E. F. Smith, B. F. Smalley, T. H. Marsh, James Eva, B. H. Alberts, J. D. Marsh, A. N. West, M. C. Clark, A. E. Warren, B. J. Vincent, O. F. DeFoe, W. H. Wilson, R. H. Warren, H. E. Kreider, J. D. Lockard, John Timbers, F. R. Dawson, E. P. Boyd, George T. Klein, C. W. Burbank, F. J. Archer.

Ministerial Membership. The conference began with thirteen ministerial members, three of whom were on probation. At the present time there are ninety-seven, twenty of whom are on probation. In the intervening years many others served, the records showing the conference has lost twenty-eight by death, forty-two by transfer, and forty-three by location or withdrawal. Of the present total membership, fifty-eight "came up through the ranks," i. e., joined this conference on probation, and thirty-nine were received from other conferences or other churches on transfer.

The Woman's Missionary Society. The fifty-year story of the W. M. S. is most fascinating. There have been but six presidents: Mary Dutton, 1895-99; Adelaide Beers, 1899-1911; Mary Stilwell, 1911-25 and 1929-32; Josie Wees, 1925-29; Ethel Clark Youngren, 1940-43; Mabel Jones Moyer, 1932-40 and 1943-45. The membership in 1898 was: Active members, 144; honorary, 60. In 1945: Active, 1,023; honorary, 289. The money raised during the first year of the half century was \$194, or \$1.35 per member; and during the last year, \$17,652, or \$17.25 per member. The Washington Conference, with its stress on missions through Seattle Pacific College, the W. M. S., the Sunday schools, and the Y. P. M. S., has an enviable record with regard to missionaries called, educated and appointed. The total record in fifty years under the Free Methodist banner is 67, as follows: Mexico, 1; Kentucky, 7; Dominican Republic, 4; Panama, 4; Africa, 9; India, 14; China, 18; Japan, 10.

Seattle Pacific College. Under the name Seattle Seminary, this school was incorporated in June, 1891, and opened its doors in March, 1893. Superintendent B. T. Roberts was one of the moving factors, with the local inspiration coming principally from Mr. and Mrs. Nels B. Peterson and Mr. and Mrs. Hiram H. Pease. Rev. and Mrs. Alexander Beers were engaged to take charge of the school at its opening. They continued, with some interruptions, in this capacity until 1916. Dr. O. E. Tiffany was president from 1916 to 1926, when the present president, C. Hoyt Watson, took charge. Nearly 4,000 students have attended the school throughout its history, not including the elementary department. The high school was discontinued in 1936 and the elementary school in 1944. A total of 657 graduates have received degrees since college work was introduced in 1910. Of these, 10 were graduated under the Beers administration, 54 under the Tiffany administration, and 593 during the Watson administration. The enrollment for 1944-45 was: Aca-

demic year, regular college students, 395; summer session, 188; non-academic School of Music students, 57. Grand Total, without duplicates, 521.

Sunday Schools. At its beginning, the Washington Conference had 10 Sunday schools with 50 officers and teachers and a total enrollment of 434. After fifty years the record is 43 Sunday schools, 461 officers and teachers, and a total enrollment of 5,735. Raised for Sunday-school expenses last year, \$11,708.57; for missions, \$2,105.98. The average weekly attendance was 2,984.

The Young People's Missionary Society began in this conference about 1919 and has made marked advance. In membership it has grown to 765, and in money raised for missions to \$5,654.52 in 1944-45. Of signal interest has been the promotion of boys' and girls' camps by the Conference Board of Christian Education. Such camps have now been held for seven summers. The attendance at the first (1939) was 42, 17 boys and 25 girls; and in 1945 it was 316, 143 boys and 173 girls.

IN MEMORIAM

During the year two preachers' wives and two preachers' widows have gone to be with Jesus, Clara Foy, Clara Monahan, Lydia Grace and Blanche Stamp. These elect ladies were helpmeets indeed to their husbands in the great work of the ministry, and their lives and examples were a blessing wherever they served. In their passing not only has the W. M. S. lost loyal supporters of the great cause of missions, but the conference has lost the blessing of their presence and helpfulness in the work of the conference. "Their works do follow them."

CONFERENCE EVANGELISTS (*) AND LOCAL DEACONS (†)

*Alice R. Grothaus, Densmore, Kansas	*Gertrude T. Everley, Concordia, Kansas
†D. N. Bowers, Norton, Kansas	†Arthur Myers, Greenville, Illinois

The conference made two important changes for this year. One was the inauguration of a District Superintendents' Budget; also the requiring of the holding of only two quarterly meetings on each circuit, thus allowing superintendents to do evangelistic work the balance of their time. The other change provides for a Pastors' Minimum Salary Budget, which limits the pastors also to a minimum amount of secular labor so that they may give more time to pastoral work.

A STUDY

We are pleased to report a gain in full membership of 32 and, including probationers, an increase of 49. This was registered from sixteen of the twenty-six circuits. Our removals were seven less than a year ago. In the totals of finance a substantial increase was shown in every item except one.

Over a five-year period, the matter of pastoral support has shown a marked advance. In 1940 the average pastor's salary was \$353.84 as compared with \$734.92 this year. With machinery in gear to guarantee substantially every pastor at least \$800.00, this year our ministers' social status should be greatly improved.

Also materially, in nearly all places, our property has been repaired and remodeled. Five churches have been purchased, moved or are in the process of building. Our camp ground at Ansley has been greatly improved by the addition of thirteen new cabins.

As to personnel: Fifty per cent of our preachers now taking charges have been called to this work within the last five years. They are native sons and daughters raised up from the circuits. This does not include that goodly number who have given their services for a longer period of time and are also Nebraska products as well as those who have been led to labor with us from other states.

The spirit of fellowship was never better. Vision and burden for a conference Holy Ghost revival seems to be broadening and deepening. The prospect bids well for a "Forward Movement" throughout our borders. God grant that it may be so!

MEMORIAL SERVICE

A memorial service was held Saturday afternoon by the Committee on Memorials in honor of three ministers who died during the year.

With the passing of A. J. Hill at the age of eighty-two, forty-eight years of sacrificing service as an ambassador of Christ came to a close. His departure, as the last of the older generation of preachers who moulded the spiritual tone of the conference, marks a historic cleavage. A man of sterling integrity, an able Bible expositor, he filled his place well as pastor, district superintendent, member of the denominational boards, and delegate to eight General Conferences.

E. A. Rodgers, answering a "woe is me" call to preach the gospel, made full proof of his ministry. His preaching was distinctly evangelistic, and the Lord blessed him with many revivals on his own circuits.

Harold Winslow represented the highest type of manhood. He served his God nobly as teacher of theology at Greenville College, as missionary to China, and as General Missionary Secretary.

†Recognized by the Commission on Christian Education as under auspices of the Free Methodist Church.

The annual session of the Commission on Christian Education was held at Winona Lake, Indiana, October 29 to November 1, 1945.

Reports were received from the five departments of the Commission through the respective executives, and from the Association of Colleges through its member institutions.

I. DEPARTMENT OF SUNDAY SCHOOLS

During the past year the Sunday schools have gained 3,519 in enrollment, 2,521 in average attendance, and have raised for Sunday-school expenses \$212,997.71, an increase of \$31,810.96 over the preceding year. This is reflected in an unprecedented volume of business in the Publishing House, which is showing the largest single year's profits in the history of this institution.

The *Sunday School Worker* has established itself in the minds and hearts of the Sunday-school staffs throughout the church, and many letters and verbal testimonials give evidence that this periodical has become a symbol of permanent value in lesson preparation.

The C. Y. C. is gaining in popularity. This organization is unique in that its appeal covers such a short range in the youth's life, primarily twelve to fourteen years of age. These are the crucial years in the life of the child. The *Manual of the C. Y. C.*, a sixty-four-page booklet, contains a more valuable program for these intermediate youth than most of our people realize. In addition to furnishing an outlet for youth activities, the C. Y. C. majors in the conversion of the child and his religious life. It is highly educational in its various aspects and is church- and Christ-centered. The emphasis the C. Y. C. places on a knowledge of the Bible and religious art makes it an organization which could be profitable for adults. Our greatest need in the C. Y. C. field is for leadership, and we are hoping that this leadership will come from the Y. P. M. S. which aid, no doubt, will be accelerated after war days.

The Sunday school is the thermometer of the church. Its rise or fall bespeaks the rise or fall of the entire local church. The Sunday school does not increase because the prayer meeting or the church service is better attended, but, vice versa, the improvement of the Sunday school reflects in a general advance in the total program of the church. The Sunday school can be said to be the key to all church activities. It should be so recognized by pastor and district superintendent, especially because of its strong appeal to the community.

II. DEPARTMENT OF BIBLE SCHOOLS AND COLLEGES

The Seminary Project: Much attention was given in this annual session to the new seminary project. In the light of a survey of superintendents and representative pastors to determine opinion of need and best methods of support, the Commission recommended and the Board of Administration adopted the following proposals:

1. The establishment of John Wesley Seminary, to open in 1947;
2. The organization and operation of the new institution under the Board of Administration as the Board of Control, with a Seminary Executive Board composed of:

The Board of Bishops;

The Commission on Christian Education;

One member from each remaining Commission, elected by the Board of Administration.

3. Immediate steps by the Seminary Executive Board looking toward early appointment of a president of the seminary and staff; and the selection and purchase of books for the library.

4. Authorization of an initial annual budget of \$25,000, to be met by:

a. General claims (30 cents) \$10,500

b. Portion of Christian Education Field Day receipts.... 7,000

c. Appropriation from Publishing House profits 4,000

d. Special gifts and appropriations 3,500

The Seminary Executive Board met and organized, and appointed four "founding committees," namely: Building and Finance; Curriculum and Personnel; Library; and Publicity.

Ministerial Scholarships: The Department's program of college and seminary

scholarships was approved for 1946-47, and budget provisions made accordingly.

Travel Grants: Financial assistance to Free Methodist young people residing at a distance from Free Methodist schools had been inaugurated during the summer, and the plan was continued with provision made therefor in the budget.

Miscellaneous Projects: Plans to aid the college in advertising and to provide counseling seminars and doctrinal libraries for Free Methodist students in seminaries and universities were approved.

The Budget: Again the College Department had a favorable financial record. Endowment receipts on hand for distribution to the colleges as of September 30, 1945, totaled \$1,277.34; funds received during the year for distribution to students as loans through the colleges totaled \$2,217.55. Additional funds on hand for the year's program of the department as of same date totaled \$15,661.36. The principal source of these funds was Christian Education Field Day, which the past year yielded \$13,350.13—an increase of fifty-seven per cent above the previous year.

Thus, this department was able to plan its year's program again on the basis of funds in hand rather than on the basis of anticipated income. Following are the major budget items:

Scholarships	\$ 7,500
Seminary library	2,500
Service Training appropriation	800
Office expense	900
Miscellaneous projects	2,050
General church overhead and Contingent Fund.....	1,750
Total	\$15,500

In preparation for the 1946-47 program, an amount equal to fifty cents per adult member was authorized by the Board of Administration as the quota request on Christian Education Field Day, February 4, 1946. From the receipts of that offering, the Commission voted approval of turning \$5,000 to the Seminary Library and \$9,000 to ministerial scholarships, equally divided between college and seminary candidates.

III. DEPARTMENT OF SERVICE TRAINING

Credits earned in Service Training courses showed a gain of 100 over the preceding year, with a total of 800 persons completing work. Kansas Conference reported the highest number of courses held.

Correspondence study enrollments now total 33, which are equally divided among the three correspondence study units offered.

The Book Bulletin, which is sent to Free Methodist pastors without cost, had a mailing list this year of about 700, of which practically all were on request.

The Visual Aids library showed a circulation of approximately 100 titles.

IV. CHURCH COUNCIL FOR MEN IN SERVICE

The Executive Board of the Church Council for Men in Service met immediately preceding the session of the Commission on Christian Education and to that body brought its report and recommendations.

A budget of \$14,500 was authorized and later approved by the Board of Administration, the Church Council operating eight months, then merging with existing departments of the Commission on Education.

V. YOUNG PEOPLE'S MISSIONARY SOCIETY

To those who have been vitally connected with the Y. P. M. S. over a period of years and have studied trends and developments rather carefully, it appears that the general outlook of the youth department of the church was never brighter.

In spite of the fact that the Y. P. M. S. has just weathered its first world war, with thousands of its members called to the colors and with civilian life disrupted in general, the statistical record of the past year stands up very favorably with the last pre-war report made in 1941.

The absence of so many youth from some churches has caused some locals to cease to exist, leaving a net deficit of 43 societies. However, even with fewer societies there is still reported a gain of approximately 2,400 members for the four-year period. Penny-a-Day signers have doubled in number; prayer meetings are increased by nearly 1,000; educational meetings are up a third, and nearly four times as many Reading and Study certificates have been granted. The financial contributions of the young people have more than tripled in the four years, jumping from a grand total of \$44,797.64 in 1941 to the all-time record of \$137,261.24 this past year. The fact that \$91,431.38 of this last amount was raised for missionary purposes is evidence of the fact that the Young People's Missionary Society is missionary in spirit as well as in name.

In the year just closed, 1944-45, there was a gain of 31 new local societies, 1,694 members, and 2,263 Y. P. M. S. or joint prayer meetings held. The total financial receipts indicate an average of \$8.40 per member for the year, with the West Kansas Conference showing the highest per member contribution, averaging \$18.16 per member.

The statistical and material gains of the Y. P. M. S. are most gratifying, but beyond that there is definite evidence of spiritual improvement. In its annual meeting the Y. P. M. S. Council gave special prayer and consideration to the activities of the organization which will bring about even greater spiritual success during the coming year.

GENERAL Y. P. M. S. COUNCIL

Rev. Ernest Keasling, Chairman
 Rev. W. Dale Cryderman Rev. David Paul Smith
 Rev. E. Stanley Watkins Rev. Douglas H. Russell

The fourteenth annual session of the Y. P. M. S. Council met October 29, 1945, in the Y. P. M. S. Office, Winona Lake, Indiana, with all members present. The statistical reports given indicate that the success of the past year surpassed all previous records in most cases. The total financial receipts for the year amounted to \$137,261.24, and the total membership now stands at 18,635. The regional directors' reports indicated a full year of activity, which has been the cause for the greater portion of success and advancement of the organization in general.

In view of the thousands of returning service men and relaxation of war-time restrictions, the General Council made extensive plans for the promotion of the work for the coming year.

THE ANNUAL REPORT OF THE MISSIONARY SECRETARY

The Free Methodist Church maintains missionary work in southern Japan, the provinces of Shensi and Honan, China, and in the central province of Berar, India. Our largest, oldest and fastest-growing fields are all in Africa. There are approximately 7,000 Free Methodists in Natal, South Africa, in the Transvaal, Mozambique, Southern Rhodesia, and the Belgian Congo. The Dominican Republic is our nearest "foreign field." We also have work among both Japanese and Brazilians in Sao Paulo, Brazil. In addition to the so-called "foreign" missions program, home mission work is sponsored in the United States, Canada and Mexico. We have the Tampa Spanish Mission, the Kentucky Mountain Mission, the Chicago Italian Mission, and work among the Indians at Salamanca, New York, and Gallup, New Mexico. There are mission projects in the province of Ontario, Canada. What was once the Pacific Coast Japanese Conference is now spread across the country due to the relocation of these people during and following the war. Our best-known home mission work is among the Mexicans in Southern California, Arizona and Mexico.

We have 14,116 church members (including latest reports received from Japan and China). The Free Methodist Church operates 200 village schools serving 10,000 students, 11 Bible Schools (boarding) with 822 students, 11 dispensaries which served 121,663 patients during the year. The Missionary Board owns 204 mission buildings and 16,587 acres of land, besides rented property and land held under government grant.

The Woman's Missionary Society and the Young People's Missionary Society have kept the missionary program of the Free Methodist Church before our people. Contributions have been good. The income of the Missionary Board from all sources was \$400,011.54 this year. This is a per member giving of \$8.00.

Appropriation requests from the mission conferences were:

a. Current Operations	\$270,000
b. Permanent Improvements	63,000
c. New Missionaries (49)	30,000
(Salary and Travel)	
d. Completion of Buildings in Dominican Republic; building program, Congo-Nile; hospital, South Africa; land and buildings, South America.....	184,000

Total Budget Required\$547,000

The Board, limited by disciplinary provision, made appropriations totaling \$344,000 from general funds, and \$20,000 from South American funds. This made

provision for the appointment of 27 missionaries and the opening of work in Paraguay, together with enlargement of staff in Brazil.

BYRON S. LAMSON,
General Missionary Secretary.

REPORT OF FIELD SECRETARY

With a greater sense of our dependence on God from year to year, and, too, His love, tender mercy and care, we submit the following report:

God has given health and strength to carry on in our work during the past year. Have held from four to five services weekly in the interest of missions, revivals, supplying quarterly meetings, attending district quarterly meetings, annual conferences, helping in one camp meeting, four ten-day revivals, aside from talking to the Sunday schools, and teaching a class nearly every Sunday during the year.

The greatest joy has been to see a goodly number seek and find our Saviour and to know Him in the joy of sins forgiven and hearts cleansed from all sin.

In the gracious providence of our Lord it has been possible for wife to accompany me nearly all the year in our travels and the holding of meetings in the East, West and North. Have traveled 14,264 miles with car and 3,463 plus on trains and buses, a total of 17,727 miles.

The pastors, members and friends of our churches have, as in all past years, given us a most gracious welcome and kindest hospitality.

God has moved on many hearts in answer to prayer, causing them to give liberally for missions with no solicitation either personally or by correspondence. Many outside of our church have given funds to purchase V-bonds for a reserve fund, also to support native workers.

By public appeal in services held, 775 have joined the Missionary Reserve Army.

As in past years nearly all funds raised in public services have been credited to the Woman's Missionary Society and the Young People's Missionary Society, as were considerable funds secured personally for the support of native workers, sent monthly through the Woman's Missionary Society treasurer, or direct to the general church treasurer, J. M. Daniels.

The funds raised in the meetings held, by private solicitation and correspondence are as follows:

Cash, \$10,117.06; subscriptions, \$5,334.50, payable during the year, not including pledges secured for the support of many native workers; for the support of native workers in cash, \$11,678.63; on the annuity plan, \$5,600; received for assisting in revival meetings, camp meeting, dedication of church, supplying quarterly meetings, personal gifts from friends and relatives, \$1,212.56. From the last fund mentioned have paid nearly all expenses in traveling, postage, etc., amounting to \$712.56, and the remaining \$500.00 was sent to the General Church Treasurer, J. M. Daniels, with detailed account of personal expenses. Total of all raised, \$33,942.75.

Respectfully submitted, F. L. BAKER.
